a world of possibilities

Disability Support Brisbane, Redcliffe Peninsula,
Caboolture and Surrounding Areas

Welcome to the 2023 Brisbane Disability Connection Expo, sponsored by Holistic Horizons. Inside this magazine, you can find some great profiles and sponsor spotlights, advertisements from providers and updates from us here at Developing Australian Communities.

This year we are delivering the biggest events Australia has ever seen in the Disability and NDIS sector at Brisbane, Melbourne, Sydney and Perth. We are also launching our huge Virtual Connection Expo platform so that Australians can connect with service providers, see updates, watch on demand content, join in with virtual conferences and topic days from leaders all around the world.

The last few years have taught us all more than ever that we need lots of different ways to connect and stay connected. This is why we are partnering with so many great sponsors and building a huge network and movement with participants, families, carers, Guardians and service providers from all over Australia to help us see a disability sector we can all be proud of.

Working with the National Disability Leadership Organisation (NDLO) we are also able to support the Disability Staff Recognition Awards in each state to raise funds and support Paralympics Australia, the Australian Paralympic Team and the next generation of Paralympians. It is a huge night and a great way to take time out and look at how we can all work together.

As we always say, we don't do halls, stalls and pamphlets alone. We know that getting out and connecting needs to be supported and an opportunity for the community to come together and spend time together. Our Expos are community events over two days and we make sure there is plenty to do, lots of space, seating, food, entertainment and a great atmosphere so people can enjoy their time connecting. This is why we see many people come on both days just to cover everything that is on offer. Don't forget, if you have a burning NDIS question, make sure you swing by the Ask A NDIS Expert - Support Hub, sponsored by Support Care Angels.

You can do this whilst enjoying a FREE coffee, thanks to our Coffee Cart sponsor, Transparent Disability Support Services.

The last 3 years we have had the honour of being on hundreds of items of coverage across radio, TV and print media raising awareness of important issues and changes in the disability sector and NDIS space. We have also had the opportunity to connect media outlets with some amazing service providers and people living with disability to share their stories.

With the huge media presence we experience here at Developing Australian Communities, our Expos and campaigns, we have grown our marketing solutions departments and media release capacity to regularly release content, announcements, stories and updates to over 6,000 media outlets, journalists and newsrooms around Australia. We know how time-poor service providers are and we are now helping many organisations to show what they can do, so that the people that need service options can find them when and where they are required.

With the Royal Commission and the huge amount of work being done by our new Minister the Hon Mr Bill Shorten and his state colleagues we have seen the Government focused on change and improvements. It has been a welcome sight in the last 12 months to see the work of leaders in Australia like Australian Paralympic legend and disability advocate Mr Kurt Fearnley AO, appointed Chairman of the Board of the National Disability Insurance Agency (NDIA) and the work done by our 2022 Australian of the Year Mr Dylan Alcott OAM.

2023 is looking to be a huge year for Australia, the Disability and NDIS Sectors. We look forward to working with so many great members of our community, services providers and sponsors. Lets make those connections and see real change!

**WE HAVE THE ANSWER FOR YOU
WELCOME TO DAC MARKETING
SOLUTIONS**

Why Developing Australian Communities (DAC) Marketing Solutions?

Developing Australian Communities was founded in December 2020 by River Night and Mike Clark. Our stats speak for themselves.

Since December 2020:

- 6 major expos
- 1522 exhibitors
- 28,842 visitors
- Website traffic of over 20,000 per month
- Social media reach of more than 1.2 million people per month
- Total media reach of 94 million

Over the two years we have a combined reach of

- 27.1 million via Social Media
- 56 million via PR

Our Purpose for the Disability Sector has been to:

- Raise visibility
- Raise awareness
- Raise the standards

How our Marketing Solutions came to life...

Due to our purpose of creating a voice for the disability sector, we have recently strengthened our commitment to our Sponsorship Program. We now provide 6-12 month promotional programs and deliver between 14 to 33 marketing items for each of our sponsors, to help them shine a light on their amazing work and contributions they are making to the Disability Sector.

What does this mean for you?

As a result, we have refined the operational effectiveness of our marketing processes and increased our team to the point that we are now in a position to offer a valuable range of Marketing Solutions to disability service providers, not only our sponsors. Simply choose from a list of valuable services that will provide targeted marketing and increased brand awareness for your organisation.

"Life isn't a matter of milestones, but of moments" - Rose F Kennedy

Jack's Butterflies' range of services and assistance looks to not just assist rare disease children and their families with everyday challenges, but also to equip them with the support to extend their lives beyond the daily isolation and confines of hospitals, social services and their own homes. Our eventual goal is to provide a comprehensive network of services geared towards improving quality of lives and the relationships that surround them.

Disability Support Services

- Support workers – we can find staff for you, or you can bring your own
- Nurses
- Domestic cleaners
- Short Term Accommodation options
- Support Coordinator Level 2
- Hire equipment – lots and lots of Lego, sporting and play equipment (why not make therapy fun!)
- We can also do assessments for you.

ENGAGE CARE SERVICES

Empowering People Through Quality Care

Getting great support
can be a real worry.

Will I like the
support worker?

Will they like me?

Will they know how
to best support me?

Will they be skilled
at what they do?

At Engage Care Services we truly understand the challenges of getting support right. We have listened, supported and partnered with people with disability to learn how to do this well, in fact how to be the best at what we do. Our mission to empower PWD to live their best lives, partnering with you. We take this very seriously, but make sure we'll have a lot of fun delivering the support especially designed for you. If individual support, a company who partners with you and have the skills to provide great care and support sounds like the answer to you?

INSIDEOUTSIDEDANCE ALL ABILITIES

InsideOutside Dance is the leading NDIS registered dance school for people with disabilities offering multiple classes in numerous locations across Queensland. It gives people with disabilities the opportunity to develop new dance skills and performance techniques in a safe nurturing environment. Our dance styles include Contemporary, Hip Hop, Jazz, Drama and Drumming.

We also offer teachers to come to your organisation and teach classes at your location at a time and schedule that suits you, or we can supply private classes.

Our students work with motivational mentors and Brisbane's best teachers.

Our aim is to create a dance school where dancers can have fun, get fit and make friends whilst they learn, create and perform. We hold performance showcases twice a year.

Our owner, model Madeline Stuart welcomes you to join her Dance Company.

Support Care Angels

Support Care Angels was established and built out of the need for personalised care for clients and their homes in North Brisbane and surrounding suburbs.

There are many ways people can make a difference in each other's lives. We can give more than we receive. We can hold space for someone going through trauma. We can simply let a person know we care.

Support Care Angels are a team of experienced and attentive experts who have the capacity to do all of this and bring smiles to the faces of all the lives they touch. This year, that will be thousands of lives they touch, as we welcome them as our Ask An NDIS Expert Support Hub Sponsor for the Brisbane Disability Connection Expo 2023 - Sponsored by Holistic Horizons.

Support Care Angels is an NDIS Registered provider that came into fruition when its founders saw a gap in services for NDIS participants on Brisbane's Northside. They now offer a wide range of personal care services you can rely on. Support Care Angels help support you in your daily activities and thrive every day.

Support Care Angels offer a wide range of services, such as short-term accommodation Respite, Before and After School Care, Social Support and Community Access, Personal Care and Medication Assist, Medical Visits and other Appointments support,

General Cleaning, and Lawn Mowing and Maintenance.

Their Respite that's located in Carseldine, which is called Purple Dream House, has become a second home to a family of children and young adults who need the type of specialised support not usually found in traditional after-school and weekend care settings. It's a non-formal Respite setting where the residents can be themselves, learn daily-life skills, make friends, be safe, and feel at home.

In Support Care Angels, they understand that your health is a top priority to keep you living the best life, which is why they offer a Personal Training service to help build your capacity, improve and maintain your fitness.

There are also activities anyone is welcome to join - the Art Class runs on Thursday every week and they organize group outing to the Zoo, Lone Pine or to play bowling. All these fun activities are run through its Respite, Purple Dream House.

NDIS participants are certain to find the ideal services and support care person to help them be the best they can be and live their happiest life each and every day.

This is home and personal care you can trust.

Support Care Angels - it's great to have you as our Ask An NDIS Expert Support Hub Sponsor at Brisbane Disability Connection Expo 2023!

Transparent Disability Support Services

We welcome Transparent Disability Support Services as our Coffee Cart Naming Sponsor at our upcoming Brisbane Disability Connection Expo on March 3 and 4 2023. They will certainly stand out at the Expo and will be providing all our visitors and sponsors with one free coffee per person! Please make sure you collect your cup!

Transparent Disability Support Services (TDSS) supports both self-managed and plan-managed NDIS participants. Even though TDSS and 'The Hub' are based in Brisbane, they have been servicing NDIS participants Australia-wide effectively over the last three years.

The Director of Transparent Disability Support Services, Tyrone Austin, who has 22 years of experience in the disability sector, started the company with one thing in mind - to make the lives of people with disabilities easier, happier and complete.

Tyrone wanted to provide clients with the support services he believed all people deserved. The result is that TDSS operates with an upfront, honest and cohesive approach. Their team educates all participants and nominees within the NDIS space about their rights of choice and control and the NDIS expectations. Their motto is "Care Where it Matters." The team says, "Your care is defined by you, your barriers, your needs and your environment."

The team at Transparent Disability Support Services pledge to provide inclusive and non-discriminatory services to every client to ensure they achieve their goals. The team welcomes and celebrates everyone for who they are, regardless of ethnicity, faith, age, culture, language, gender identity or sexual orientation. Transparent Disability Support Services offer the following:

Participant Support - TDSS are incredibly passionate about providing

personalised catered support for day-to-day access to social, community and in-home care. They hand-pick suitable support workers that fit each participant's specific needs. Their goal is to assist participants to live enriched and independent lives. From assisting with personal care, and household chores to bowling and horse riding, the team are ready to support in whichever way they can. They work alongside many different providers and will always promote those who echo their core values and beliefs.

TDSS offers - SIL, ILO, MTA & STA. TDSS delivers 24hrs support in the home and community depending on the needs of each participant. We can arrange this as directed by the nominee or the participant's representative. Housing, Household goods, 24hrs in home and community support workers, Transport, Activities and more.

The Hub - Located in Brisbane, The Hub is a specially designed space where participants can participate in programs designed to increase social engagement, fine motor

skills and independence, through expressing themselves, learning new skills and being creative. The team of compassionate support workers runs weekly group programs and is also available for private sessions.

Domestic Assistance & Yard Maintenance - The team at Transparent Disability Support Services know that having a clean and tidy home is important for the well-being of all people. TDSS have fully qualified staff ready and available to assist clients in their home, so their living environment is safe and clean.

The experienced team at TDSS works passionately to make sure they match the best services for each of their clients. Find out more about them today on their website <https://www.transparentdisabilitysupportservices.com/> and learn more about what they can do to assist you or your loved ones. Make sure you stop and say hello as you collect your free coffee at the Brisbane Disability Connection Expo on March 3rd and 4th 2023. We are so excited to have them on board as Coffee Cart Naming Sponsor at our Expo!

Cocoon SDA Care

It is our great pleasure to announce Cocoon SDA Care as a Major sponsor of our upcoming Brisbane Disability Connection Expo and as Platinum Sponsors of our Melbourne, Sydney and Perth Disability Connection Expos coming later in the year.

Cocoon SDA Care is an exceptional leading NDIS Provider in the disability sector ensuring participants have access to what are truly personalised homes in the right locations with state-of-the-art features that ensure they are both accessible as well as welcoming. By also providing the care and supports their clients needs and require, Cocoon SDA Care are both holistic and person-centred in their approach which is why they are a leading provider and much sought after partner by people with disability looking to enjoy independence and informed choice in their lives and home.

Peace of mind for clients is a given in the delivery of their services and safety and security are paramount to the approach they take with each and every person they work with. With values that embody everything from exceptional care to fun and addressing loneliness, Cocoon SDA Care understands the complexities of living with a disability and the many approaches that are required to address individual needs with functional, practical and all-encompassing solutions.

They are proud to have listened to the voices of people with disability and delivered on solutions that are as diverse as the people they serve, with their homes located close to medical precincts, transport hubs, shopping centres, and community activities so that residents can live their life to the full with every convenience available and readily accessible. Cocoon SDA Care pride themselves on exceeding the NDIS standards for housing by delivering what are truly homes filled with fun activities and laughter, not simply a roof over a person's head. With high-end amenities and practical solutions including accessible parking, stylish bathrooms, large bedrooms, soundproofing, assistive technology and effective and functional kitchens, they are a standout.

At Cocoon SDA care they understand that things happen in life and that is why they can quickly provide respite and short, medium, and long-term specialist disability accommodation solutions as required. Responsiveness to needs is what they are all about.

Come down and see Cocoon SDA Care at the Brisbane Disability Connection Expo on the 3rd or 4th of March to let them show you how an independent and full life in your own beautifully appointed home can be yours. You can also visit them at one of our Disability Connection Expos in the city you are closest to including Melbourne, Sydney and Perth. We are so excited to have them on board as multi-region Sponsors of all our Disability Connection Expos!

Support Workers You Can **TRUST.**

When growing a plant you make sure the conditions are right. You provide good soil, fertiliser or plant food, enough sun, water and air. You also make sure the conditions are just right for the individual plant. With the right conditions and a bit of care, any plant can grow strong. People are just the same, provide a nurturing environment, the right care, a bit of compassion and understanding and anyone can thrive and grow. And that's our Mission to provide everyone the chance to grow and spread their branches by offering the best possible environment and supports. This is why we have the tree of life as part of our logo. It represents our goal to help everyone thrive and reach their potential in a Kind and Respectful Environment.

Let's Connect Support Services

They turn your NDIS Participation process into an easy journey - where you are supported every step of the way.

Let's Connect Support Services has joined the Disability Connection Expo family as a valued Major Sponsor!

They have a vision to deliver your vital services that truly meet your individual and unique circumstances. Let's Connect Support Services work with you to make your journey as stress free as possible.

As an NDIS registered Support Coordination provider, Let's Connect Support Services take any confusion out of your support care planning equation and make things clear and simple.

Their aim is to provide a fully independent support service that provides total support for their participants. Let's Connect Support Services help you find the right provider for your circumstances, manage your NDIS budget and funding allocation - ensuring you keep on top of your finances.

They also help you identify any problems and even potential problems before they arise and support you with professional support care knowledge to help you make the best and most appropriate decision for you.

This includes helping participants build capacity to be self-sufficient in all of their support care needs. Increasing and building your independence in relation to your support care plan helps you make more informed decisions, feel empowered and enhancing confidence in your support care plans.

Every member of the Let's Connect Support Services team has a specific specialty focus too - so you'll always receive the best advice no matter what aspect of your support care

plan and its management you are discussing.

Let's Connect Support Services has over 40 years' shared experience in the disability sector. Which has helped them build a huge network of trusted service providers, built on a foundation of successful results.

These include - allied health professionals, behaviour support practitioners, and connections to mainstream support services too.

Easy Cycles

We welcome Easy Cycles as our multi-region Platinum sponsor for all four of our Disability Connection Expos in 2023! They are one of Australia's premium health and mobility electric bicycle and tricycle suppliers and will be present at all four of our Disability Connection Expos in Brisbane, Melbourne, Sydney and Perth.

Easy Cycles already has several well-established partners across Australia and are keen to develop new partners and premium agents in all states and territories. They provide an extensive range of options for people living with physical or developmental disabilities or mobility issues.

Easy Cycles is an Australian owned company based in Fremantle, Western Australia. Their three main brands of bikes are Van Raam, Pfautek and Ryder bikes. Easy Cycles are focused on sustainability and their entire range conforms with Australian environmental standards.

The Easy Cycles team is constantly looking for ways to improve their electric bike models to ensure clients are receiving the best quality and value for money.

Being electric, their bikes and trikes are easy to operate and can be driven effortlessly just by a twist of the throttle, or light pedalling. The bikes allow those with disabilities to feel more independent and have exercise and therapy and to enjoy life outdoors.

Cycling is now a real possibility for children

and adults with disabilities even though it is an activity which is sometimes overlooked in the development of many NDIS plans. Electric trikes and bikes for those with mobility issues fall under the Assistive Technology budget within NDIS support packages.

The team at Easy Cycles works with individuals, carers and health professionals, allied health teams (occupational therapists and physiotherapists) to test available options, develop optimum alternatives and capitalise on clients' strengths. Electric bicycles and mechanical trikes can be specifically customised for each client, with additional stabilisers and customised fittings such as foot straps and hand gloves to hold the handlebars.

If you think that you or your loved one would benefit from an ebike or trike and one would help you to achieve the goals in your plan, then talk with your plan coordinator to have money

budgeted for an electric bike or trike within your plan. Easy Cycles can provide a quotation for your plan. You will need to discuss the advantages and goals of accessing an electric trike with your OT or physio so they can prepare an Assistive Technology report to be included in your plan.

Easy Cycles ebikes and trikes come with a full two-year warranty, and are backed by a fully equipped service department and expert staff who are on hand to help whenever you need it.

Please visit the team at Easy Cycles at our 2023 Disability Connection Expos in Brisbane, Melbourne, Sydney or Perth! Visit their website to learn more about their range of products. Their electrical trikes can change lives and futures for those with a disability. They would love to discuss your cycling and mobility needs and to develop a customised machine for you or your loved one.

Guardian Nursing Agency

It is with great excitement that we welcome Guardian Nursing Agency as Platinum Sponsors of the Brisbane, Melbourne and Perth Disability Connection Expos in 2023!

Guardian Nursing Agency offer services that respect that they are in your home, not just their workplace and they operate to the highest of professional standards whilst observing your privacy and your right to personalised, tailored services that meet your needs and deliver on your goals and aspirations.

They pride themselves on being experts in their field and offer competitive rates with no lock in contracts or minimum spends and no exit or entry fees.

An ethical approach is paramount to how they conduct themselves and they are 100% committed to delivering care with compassion and genuine supports that deliver quality outcomes for their clients without the big price tag, ensuring your NDIS plan can go further.

Guardian Nursing Agency appreciates that being happy where you live is just as important as your satisfaction with the supports you receive and so they offer Long and Short Term Accommodation options.

Short term accommodation can be part of the preparation for a more permanent move and gives a client a taste of what it would be like living a more independent life with the service supporting them to develop newly required skills.

Their Supported Independent Living options include shared or independent housing and supports, transition housing and those short term breaks that are sometimes needed to support everyone's wellbeing.

If you are after high quality, compassionate, caring and considerate nursing care then Guardian Nursing Agency is the service for you with staff that are screened, trained and supervised and serious about going the extra mile in delivering exceptional services that drive

extraordinary outcomes for their clients.

Guardian Nursing Agency will be at the Brisbane Disability Connection Expo on the 3rd and 4th March, the Melbourne Disability Connection Expo on the 21st and 22nd April and the Perth Disability Connection Expo on the 25th and 26th August 2023 so make sure you pay them a visit and see how you can make your NDIS package go further without compromising on quality of care. We are so excited to have you on board, Guardian Nursing Agency!

Easy Healthcare

We proudly welcome Easy Healthcare to our sponsorship family as a Gold sponsor for our Brisbane Disability Connection Expo 2023 (3rd and 4th March) and a Platinum Sponsor for our Melbourne Disability Connection Expo 2023 (21st and 22nd April).

Easy Healthcare is a registered Melbourne-based NDIS provider, located at Laverton North. They have much experience, offering a wide range of tailor-made disability services, for both children and adults, with a focus on Personal Care, Community Participation and Support Coordination. Easy Healthcare prides themselves on their flexibility in helping clients through customised service and expertly linking them to optimum healthcare professionals. They strive to help clients live an enriched, independent life, prioritising physical and social well-being. The Easy Healthcare team also delivers special therapies to address more complex and behavioural needs of disabled clients.

“Your Ideas. Your Choice.” Easy Healthcare clients have complete discretion on how they want their services delivered, who will deliver them, and when they want them delivered. The mission of Easy Healthcare is to provide clients with disabilities, the tools, information, and resources they need to achieve seamless and continuous access to affordable, quality health care and support services that are culturally appropriate and accepting.

Diversity and inclusion are core values at Easy Healthcare. Their support workers are from many backgrounds and fluently speak over 30 languages.

Easy Healthcare specialise in offering the following:

Flexible Domestic Care, enabling participants to remain independent in their home while assuring it is well-maintained, with services such as cleaning, vacuuming or mopping floors and doing laundry.

Community Participation which provides clients with increased social and community participation and connects them with important places and people.

ABA Therapy. Easy Healthcare is always available to assist children with autism. They are “Melbourne’s leading provider in applied behaviour analysis, and their dedicated and compassionate team strives to provide individualised care for each child.”

Excellent Respite Care, provided by an experienced nurse or carer, can be arranged for one day, several days, or weeks and can be given in the home, in a healthcare facility, or at an adult day centre. Easy Healthcare looks after meal preparation, personal care, social activities, assisting autistic children with social skills, helping with overnight care.

Short-term Living Accommodation for clients when, for example, they are transitioning to a new home or waiting for more permanent housing. This also covers client care costs for up to 14 days.

Support Coordination. Easy Healthcare provides financial and administrative support to help families and clients to navigate their

NDIS funding package and best attain their NDIS related goals. The team revisits client plans on a frequent basis to ensure they are receiving the best possible service. Support services can include assistance in daily routines or work, transportation, education and health check-ups.

Cleaning and Gardening Services provide safe, reliable and personalised support in household tasks, life-skills development, maintaining and modifying mobility equipment, etc. These services prevent clients from becoming isolated and assists them to maintain a comfortable and healthy life.

Visit Easy Healthcare at our upcoming Disability Connection Expos in Brisbane (3rd and 4th March) and Melbourne (21st and 22nd April). The team has extensive experience and are dedicated to exceptional client service at every stage of the NDIS process.

Jack's Butterflies

JACK'S BUTTERFLIES are full of heart and they're bringing their **HEARTS** to the Brisbane Disability Connection Expo '23 - as a **GOLD SPONSOR!**

Jack's Butterflies charity began in 2017 and their mission is clear - foster an inclusive community allowing children with rare diseases and their families to have enriched, fully supported lives.

Started by Rachel Gates after her son was diagnosed with Ohtahara Syndrome, Rachel has made it her life's mission to improve the lives of children and their families who have been diagnosed with debilitating disease.

In their 5 short years, Jack's Butterflies has been endorsed by the ATO and is registered with the ACNC.

Jack's Butterflies offer a range of services and assistance that goes beyond assisting and supporting children with rare disease and the challenges they and their families face.

Jack's Butterflies also equip them with the support to extend their lives beyond the isolation and confines of hospitals, social services, and their own homes.

The goal of Jack's Butterflies is to lay down a solid foundation for a vast and comprehensive network of support services. These services provided by Jack's Butterflies are geared toward improving the quality of lives of participants and their surrounding relationships.

Through government support, community education, and provision of support services, Jack's Butterflies aims to empower every person impacted by rare disease - so they can celebrate every precious moment.

They also offer NDIS related services.

Talk with the Jack's Butterflies team today for any help you need around assistance, education, training and

support. They can help you make empowered decisions based on your unique circumstances.

You can help the lives of families and children touched by rare disease right now by donating to the Jack's Butterflies Donation Drive here.

Their mission is to provide care and support with kindness and respect.

Kare Support Services focus their attention upon disability support services, community access, family support, and beauty therapy.

Kare Support Services is built on a foundation of providing a nurturing environment, compassion, understanding, patience, empathy, and giving more than they receive.

The team at Kare Support Services believes that under these circumstances everyone will thrive, grow, and blossom into exactly who they want to be and live their best life.

Kare Support Services also has after school and holiday programs supporting people in the disability sector through some of the happiest times of their life.

Some of the services they can help you with are -

Disability and Special Needs Transport Services, Improved Daily Living, Independent Living Support, Special Needs Support, and Behaviour Support Services.

If you also need help around the house - Kare Support Services will help you with that too. Whether it is general cleaning, or gardening - they love to help by rolling their sleeves up and getting their hands dirty.

Arthritis, physical disabilities, and age-related limitations can make it difficult for participants to complete day-to-day tasks...

This is where Kare Support Services loves to jump in and support you with any help you need.

No matter what challenges you face - they can be overcome and made easier with the right support network. Make sure your support network is full of compassionate, empowering, and encouraging faces.

When you are surrounded by friendly people who whole-heartedly believe in you achieving your goals and dreams... Each day feels better and brighter.

Talk to the caring Kare Support Services team today - Kare Support Services.

Certifii International

We welcome Certifii as a Gold Sponsor at our upcoming Brisbane Disability Connection Expo 3-4 March 2023 and they are going to make our Brisbane Expo even better this year!

Certifii International is an Australian owned and operated business established in 2017 working alongside Service Providers as an Approved Quality Auditor (AQA) for the National Disability Insurance Scheme (NDIS) offering specialised auditing and assessment services against the NDIS Practice Standards and associated Quality Indicators. They understand that the NDIS Provider Registration process can be daunting, and providers might not know where to begin or perhaps have never been through an audit before. Certifii work closely with their clients to try and simplify the NDIS registration process by assisting them to:

- Embrace compliance.
- Maintain a robust business strategy.
- Focus on providing care to the participant.

Certifii are auditor educators and are focused on providing an efficient and professional service who see auditing and assessment as an opportunity for providers, their team and their business to grow.

Their approach includes:

- Responding to enquiries within 24 hours; They will answer your call and if no one is available, someone will return your call as soon as practicable.
- They respond to your email.
- They will meet through a virtual meeting platform – Microsoft Teams, Zoom etc. If practicable, they will meet you in person.
- Providing a customised proposal of our services within 24 hours of receiving an Initial Scope of Audit from the NDIS Commission. This will outline:
 - A clients financial investment including payment methods available,
 - The audit process and what is involved.
 - Terms and Conditions of working with Certifii International

Providing a one-on-one tailored service. They will introduce clients to a dedicated Client Services Team and Operations Team who will keep clients updated throughout the audit process ensuring an understanding of the expectations of the audit and what will happen throughout the audit process.

Keeping clients updated as to any changes to standards or practices and what this may mean to their business.

Providing support and reference material through a secure client specific portal link to assist a clients business.

Involvement in community events, networking events and industry forums.

Continuously looking at ways to improve systems and practices to support auditors which in turns supports clients and their business.

Velocity Support Services

We are thrilled to have Velocity Support Services join us as a Gold Sponsor of the Brisbane Disability Connection Expo in 2023!

As an NDIS provider with a focus on Mental Health, their goal is 'Achieving Great Lives Together' and with a team comprising of Mental Health Nurses, Social Workers, General Nurses and culturally diverse support workers they offer a depth of service and insight that goes to the heart of the issues their clients are experiencing and address these with care, compassion and great skill.

Based in the Ipswich region of Queensland, servicing Brisbane, Logan, & Gold Coast areas, Velocity Support Services offer assistance to people with psychosocial disabilities due to a mental illness or physical disabilities.

Their approach is based on respect and open and honest communication with each client ensuring that they identify and capitalise on individual strengths and the belief that this makes a difference in people's lives.

They believe in a true partnership approach whereby staff and clients learn about each other and grow that knowledge together and where fun is very much part of the equation of ultimate health and well-being outcomes.

Velocity Support Services does not shy away from the complexity within the system and

supports some of its clients to transition from inpatient units and forensic facilities back into the community aiming to improve independence and providing medication management and monitoring.

They are a people focused service offering Supported Independent Living, In Home Supports, Positive Behaviour Support, Community Nursing Care amongst its offerings.

Velocity Support Services also provide Short Term Accommodation for up to 14 days at a time which enhances a client's independence and life skills, helps them develop new relationships and on occasion is a stepping stone to supporting them to move out of home on a more permanent basis.

This change to a client's normal daily routine can provide insights, skill development and the opportunity to try new things that may open doors and help establish goals for the future.

The Velocity Support Services team are keen to hear from you about your needs and how they can assist you achieve the life you aspire to. You can meet them in person at the Brisbane Disability Connection Expo at the Brisbane Convention and Exhibition Centre on 3rd and 4th March 2023.

SafeMate

In a medical emergency, stay safe with **SafeMate**

SafeMate is your Best Friend in an Emergency!

SafeMate Kit

SafeMate is a fast, simple and secure system providing QAS paramedics your vital personal and medical details in an emergency. Paramedics can instantly access information by scanning your easily identifiable QR code, saving them up to 10 minutes in an emergency. All information is stored in a confidential and encrypted database, including emergency contacts, allergies, medications, end of life instructions and medical history. SafeMate can help prevent unnecessary hospital visits, shorten ambulance response times and even save lives. It also gives peace of mind, as SafeMate can speak for you if you are unconscious, disoriented, or finding it difficult to communicate with first-responders. YOU get to choose what you want to share.

Scan the QR code to receive a 10% discount on an annual SafeMate subscription.

Sign up at Expo and receive a free SafeMate wristband.

Eligible individuals may be able to subsidise their SafeMate subscription with their NDIS plan. Please talk to your Provider about your eligibility.
